

MARIA JIMENEZ MEJIAS

FULL STACK WEB DEVELOPER

Professional Services

It is a pleasure to communicate with you through this medium and offer you a proposal for a plan to acquire an interactive website that enhances your online presence and improves user experience. I also will provide a high-quality solution at an exceptional price, ensuring your complete satisfaction with the final result of the work.

I commit to ensuring constant updates and full internet management of your website (www), maintaining complete control of its upkeep.

If you wish, you can review some of the projects I have developed throughout my career at www.mariportafolio.com. For any inquiries, I remain attentive to your response.

For any questions, I'm here and ready to assist you.
